BAND CONCERT PROGRAM.

England Has Better Law.

"In two respects especially is their ac superior to ours. First, they try all con-tested election cases in the local courts, 'means the adoption of a program or 'platform' sufficiently aggressive in character to challenge the attention of legislatures and parliaments, in order to promote an active propaganda for permanent and 'constructive peace,' in contra-distinction to the program and the local courts, and not, as we do, in the parliamentary body itself, whereby we not only waste the people's time and money, but seldom convict a member, no natter how darkly guilty he may be, apparently because our law-makers haven't the backbone to turn guilty he may be, apparently because our law-makers haven't the backbone to turn

And even in this, behold how signally they have falled at every turn in the candidate. One was a man of title, married to a rich American, who lost out on "The new society just organized," con-nued the speaker, "will be known as many of his constituents, a luxury his op-ponent could not afford. "The other, a Mr. Masterton, who had

ing represented his district in the House Commons, was turned down on the charge of giving presents of 'coals' to many of his poor constituents (the weather being cold) presumably to influence their vote.

"Had we a law, strictly enforced, hold-ing the candidate accountable for the acts of the 'agent.' this country might have been pared the scandal, likewise the huge expense, of the two Lorimer trials in the United States Senate.

Palmer Wants Inquiry.

"In this connection it is interesting to note that Mr. Palmer, of Pennsylvania, is said to contemplate asking for a 'Sen-ate inquiry' relative to the recent elec-tion of Senator Penrose, and the alleged expenditure of \$1,000,000 for his election 's a safe guess that he won't get it." Other subjects touched upon were th President's Indianapolis Speech and the press comments thereon, "which," the speaker remarked, "seconed to agree that the President had struck the first essenitally partisan note of his adminis-tration the English reply to the President's note of protest on the detention and search of American ships and the altered tone of the English press toward America following this incident.

Miss Richards also gave a clear and
interesting explanation of the attempted

solution, at the so-called London convention of 1908 of the vexed question of what really does constitute the three classifications known as contraband of war, conditional contraband and neutral or noncontraband.

"Since the very country which called this famous convention of 198 (Great Britain) finally refused to ratify the convention defining contraband of war." explained the speaker, "how can ordinary mortals like you and me be expected to understand or unravel its intricacies. "We may deplore the coincidence that just 100 years after the sigmia of the Treaty of Ghent, which terminated the War of 1812, we should again be en-gaged in a dispute with Great Britain on the right of detention and search of American ships on the high seas. Criticises American Shippers.

that they have not been feeding the property of the ple with the Bread of Heaven. Instead of building up the House of God, the ceive anybody, on any terms, simply to have another name added. How abourding houses seeking numbers and popularity rather than instructing the people in the World of God. Remarkably few church members know what they believe. They give evidence that, if Christians at all, they are the mercal babes in Christ. Some of us can count more rapidly None can judge another's heart, but all of an international police force to protect rather than destroy.

GETTING A START.

TO PARENTS. By NATHANIEL C. FOWLER, JR.

(Copyright, 1985.) ET me diverge for once from my policy of addressing young peo-ple directly, that I may say a few words to fathers and mothers. The selection of a vocation is usually The selection of a vocation is usually own made either by the boy himself, by his right to force him under your will than parents, or by both. arents, or by both.

Theoretically, at least, the parent is upposed to be the best adviser for his on, because he has seen more of him.

The boy of today is the man of to-more and 107,200 men have passed through morrow, and what you do with him to-day may make or break him tomorrow. About 206,000 prisoners are registered. and should be able to diagnose his ability with some degree of accuracy

While the parent undoubtedly in-ends to advise the son for his good, it obvious that neither the father nor the mother is infallible, and that, being human, they are likely to err and in-fluence their boy to his detriment. We are all more or less swayed by

prejudice. If a father, for example, has made a failure of his work, he is like-ly to advise his son against it, even ugh" the latter may be adapted to tt. Conversely, if a father has achieved success in his vocation, he quite nat-urally assumes that what he has done well his boy can do equally well. The parent often forgets to study his boy, and he is quite likely to assume that his son is fit for this and unfit for

I do not consider that the advice of

any one person, whether he is a parent or not, is sufficient to determine the vocation for a young man. Composite counsel is far bett ndividual opinion

The parent should begin to study his son when the boy has passed his four teenth or fifteenth year, perhaps be he should watch him carefully bring to his attention the advantages and disadvantages of the several call ings, especially those f thinks his son is fitted.

The father should go further, and consult with his friends, those who come in contact with his boy, that, from composite counsel, he may be able to advise him more definitely and more

To push or to force the boy into vocation, without careful thought and considerable study, is as wicked as it is to rob him of his birthright.

Thousands upon thousands of boys self-opinionated fathers, who, without consideration, forced their sons into vocations against their inclinations and

Many a devoted mother and over-ambitious father, wholly from self-pride and without any real regard for their offspring, have attempted to coerce him into some profession, when the boy had
